To the Records Custodian:

- All reports, e-mails, memos, or other written communications regarding a meeting scheduled between Rose, Hart's mother, and Mr. Lewis and/or Capt. Davis
- Records showing when Hart was admitted to the jail infirmary, number and locations of stab wounds, and when he was returned to general population
- Records showing any notation of Hart's alleged schizophrenia diagnosis

As the Georgia Open Records Act requires, please let me know if the search, copying and retrieval fees are estimated to exceed \$25.

If my records request is denied, in whole or in part, please provide me with the section of the Act on which the denial or redaction is based. In cases where a portion of the document(s) is exempt, please redact that portion and release the remainder.

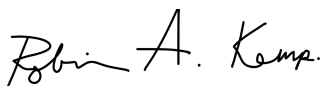

If the document(s) exist(s) in electronic format, I request that they be provided in electronic form, in accordance with the Act.

Please provide copies of the electronic records in a standard data export format, including Microsoft Excel (.xls or .xlsx) or Access (.mdb), DBF (.dbf) database files or ASCII text (.txt, whether tab-, semicolon-, pipe-, or comma-delimited). Please be sure to include any data dictionaries, code definitions, schema descriptions or other documentation required to accurately import and interpret the records.

To simplify the effort and reduce the workload, any data that is stored separately in relational tables may be supplied in separate electronic files. If separate tables are provided, please include any unique identifying fields that link the information to the requested database.

I look forward to your response no later than three working days from today. Please do not hesitate to contact me if you need clarification to fulfill this request or can suggest an easier way for me to get the information I am requesting. In the interest of timeliness, I ask that you do not attempt to contact me by postal mail. My email address is editor@claytoncrescent.org and my phone is (404) 547-1171.

Sincerely,
